Dear Editor:

I saw a version of an interview I did with Alok Rai and Shahid Amin on the www.urdustudies.com website. I have a small problem with the first section where Alok and Shahid are in conversation. The website thanks me for “taping and transcribing.” I would like to point out that besides taping and transcribing, I spent a lot of time editing the conversation, making sense of and giving shape to what was essentially a lot of excited, disjointed talk. The introduction was also mine. I would be grateful if you could, perhaps, insert a correction on the website as well as the next issue of the *Annual*. I feel the acknowledgement should make a reference to my having edited the piece.
